Comments from our President – Robert White:

Dear Friends and Members of the Dance Photo & Art Dance family,

Please grab a bowl of popcorn and sit back for this short review of events. Popcorn gets worn all around the dance floor. The photo to the left is from our Dance Photo & Art Dance booth at the Sandcastle Resort, where USA Dancer members and their guests were able to purchase photos taken during the Saturday night Dance Parties. Our thanks to our friend Sandy event. As always, Sandy and her staff did a great job of providing a fun and safe environment filled with decorations reminiscent of the elegant art deco style from the period by using long strings of beads and feathers. Sandy's Sandcastle Resort is located in Long Beach, CA, and is a beautiful wedding ballroom venue. For this event that was enjoyed by all, it was a great time for all.

Attendees were treated to two abecedarian dating the evening. At one first hour abecedarian, the dance floor was populated with Lindy Hop, Swing, Jitterbug, Boogie Woogie, Foxtrot, Tango, Rumba, and Waltz. At the second hour abecedarian, the dance floor was populated with a 50's rock dance classics to the music "Wagon". And could they wiggle! Thanks to our friend Sandy, the DJ was fantastic. Sandy's DJ was also a great MC and conducted a Mardi Gras Costume Walk-around Contest. Thanking the attendees, we can only say that we hope to see you at our next event.

Agents can thank Lo Tom Hunt for his expertise with the sound equipment for our announcements and dance music which was the best we ever heard. A special thank you to our friend Lo Tom Hunt for his expertise and his friendship. Lo Tom Hunt is also a great DJ to contact for some many great events we have who are also talented dancers.

Thanks to our friend Sandy for providing a great venue for our dance events. We will all miss it at Sandy's Sandcastle Resort located at 1031 E. Shaller Drive in Carlsbad, CA for the Dance Photo & Art Dance Saturday Night Dance Parties. Our next Dance Photo & Art Dance will be held on Saturday evening, May 23, 2015 at the Family Dance Studio. Let's plan for its experience the dance floor.
