Comments from our President – Robert White:

Happy New Year! The leaves were off the trees, pies Frost had left his mark on the windows, and even with a hint of snow clouds gathering, one hundred thirty six USA Dance members and their guests made their way to Covenant United Methodist Church for our Valentine Ball, our first and only dance event. Carole Cady again performed her decorating magic and the buffet table along with the tables semi-circled around the dance floor reflected the theme of our Snowball Class with silver snowflakes, pearls, and candles.

We heard many comments concerning the new speakers the Club installed to enhance the sound quality of the dance music for our enjoyment. Kenny Rogers, Frank Sinatra, and Dean Martin were efforts to produce the very best in quality sound for our dancing enjoyment as well as the outstanding program of music developed and recorded by Matt Thomson. A particular thanks go out to all of the dancers who filled the buffet table with their tasty food additions for everyone's enjoyment. There is no better way to start a new year off right than being with friends and people on a dance floor. Our January dance event reflected this great start very well.

February 1 is the date of our Valentine Ball at Covenant United Methodist Church. Our music for this event will be the wonderful ballroom sound of The Edd Jones Orchestra. Make your plans early to attend this black-tie optional event. We are expecting a large crowd to fill the floor with dancing feet that evening.
