Comments from our President – Robert White

As the summer heat bore down earlier this month, one hundred thirteen USA Dance members and guest gathered at Covenant United Methodist Church to celebrate America and the freedoms we cherish. Of course the freedom we focused upon at this specific event was our freedom to dance. It is always such great pleasure to have guests join us from other Chapters. Our assemblage on this particular evening included six USA Dance members from sister chapters as far away as Iowa and Florida and as near as Nashville.

Our *Decorations Master*, Carole Eady, again amazed everyone with her displays of American flags used as an integral part of the buffet table center piece as well as all of the tables around the dance floor. Carole's homemade banana pudding was equally amazing as was all of the great American recipes that grew in number as our dancers arrived. Our special thanks always go out to those great cooks in our dance family who contribute to the buffet table for everyone's enjoyment. Tim Hnat did his usual outstanding job with the sound equipment to float the dance music across the floor and with his camera to capture the fun enjoyed by everyone on this special evening.

We will be gathering next month on the second Saturday at Covenant United Methodist Church for our annual Ice Cream Social. This has grown to be one of our signature events each year. In addition to great Ballroom Dance music, you can expect high quality ice cream and all the fixin's to make yourself a spectacular Sundae. So…make your plans now to be a part of the fun in store for everyone on August

The heat of summer goes on unchecked,
as the USA Dance moves on to the floor to connect.
Carole's décor around the hall again reminds us all of our freedom won,
by heroes and their sacrifices for us long ago done.
With the Quick Step, Swing, and Rumba capturing our feet
Our summer evening was complete.
Hard to fathom it's already July,
half the year we have now danced by.
