

November 2020

Dear Friends and Dancers:

It has been my pleasure to have volunteered for the past 20 years for our Chapter of USA Dance and 15 years as Group Class Dir. but the time has come to retire that position which has given me so much joy. However, I will remain a USA Dance organization member, a volunteer and active on the Board of Directors of our chapter, fulfilling my other & usual activities.

Sincerely, Sylvia Rose
V.P. USA Dance chp.2012

Producer of "Tid Bits"
"Sylvia Sez" ~

Delight filled my being as I watched the development of so many beginners as they danced through our doors, progressing and developing dance skills to pursue their goals. These beginners, later sought out wonderfully talented, diverse, independent instructors and dance studios in the area to further train and study dance as a social or competitive adventure. I would oft times be asked for help by our novice & beginners along the way, giving extra support by offering tid bits of dance knowledge of my past years of study. The past 20 years of volunteering and 15 years as Class Dir. have been a blessing to me.

Now, I am asking for someone to volunteer and continue my role as Group Class Director, which our chapter sponsors. There is quite a bit of responsibility but a lot of gratification. (You must be a member of USA Dance.) If you are interested, I will be more than happy to assist you in getting started.

“The more we learn, the more we find out we don’t know”...And we learn by being involved. I will continue to participate on our Board of Directors as: Publicity/ Pr /Entertainment & Communications. (a chief cook and bottle washer, lol)

I especially want to *thank* all of my Instructors, with whom I have grown to know and love, their cooperation and always obliging to entertain at the monthly dances with creative and talented showcases. I do hope they all will continue to showcase their talents for the Dance Community at USA Dance, monthly Dances through out the coming years. And a big *Thank You* to Lee Bodeen for his role as Assistant Class Dir. I love you all ~ C U on the L O D ~ SYLVIA ~
