Comments from our President – Robert White

The self-sufficiency of our organization is a month for community-wide participation in the Senior Dance Outreach Program. Our goal is to have at least 400 back on the dance floor has been disappointing. However, as we approach the end of the month, it looks like we will have reached our goal. Our management changes to improve the success of our organization. Hopefully we are now on a course to get widespread informations. Our Senior Dance Outreach Program is a phenomenalto reach our monthly dance as soon as possible. We have been away from our friends and the dance floor too long.

The USA Dance organization is continuously improve the quality and quality of dance in the United States. Our Chapter's goals are aimed at improving the quality of life for our members and our community through supporting seniors as recreational dancers. Over the years we have volunteered to dance at senior living facilities as well as events which support seniors and their families. The following is a brief summary of our outreach in this area. Sadly, some of the dancers in these photos are no longer with us.
