November 2021 Newsletter

Comments from our President – Robert White

The first chill of the fall season rolled in as ninety-one USA Dance members and their guests arrived at Advent Presbyterian Church's Life Center for our dance event this month. The fall and "thankful" theme were reflected throughout the venue in our wonderful decorations and delicious food. Special thanks to the volunteers who make everything happen. It is the dedication and enthusiasm of our volunteers who make the chapter successful. Our second break was dedicated to expressing our appreciation to these special people.

The highlight of our first break was two excellent performances by professional dance teams. Presented by Anthony Parks and Sophia Blunt, owners of Prestige Ballroom. A montage of these showcases begins the photos below detailing the fun evening we had on the dance floor.

Dance studios and independent dance instructors are the mainstay supporting ballroom dancing in greater Memphis. This month, Ultimate Performance Dance Studio brought a large group, and Dreamers and Ballroom Dance Studio brought a large group of dancers who attendees the opportunity to meet them and learn of the quality instruction they offer. We are honored when dance educators and their students attend our events.

At our November dance, we had three new members join USA Dance. We continue to increase our chapter membership through new and renewed members signing up in person. Thank you for your support!
