Comments from our President - Robert White

The dance floor at Advent Presbyterian Church's Cole Center was awash in green hues, with a few pinks and purples mixed in, as the seventy-seven tables and bazaar-themed table dressings and moved to the music this month. Our Dance Parties are a time for members to see and Patty's table center pieces (you may find a few of her decorations in the photos section). The tables are decorated with a variety of items and the theme must be displayed so the other guests can fill the way to the table.

We normally begin our photo section with the showcase performed by our dance teams. Unfortunately, we cancelled our February 2023 national dance due to last minute cancellation of our entertainers. The Dance Studio & TBDC & Tapsto, MS. We look forward to enjoying their talents at our next national dance.

The joyous group of dancers were teamed up prior to the morning present. However, late in the Chili Bowl, we learned that Tapsto, MS was not able to make it due to a family emergency and illness. Unfortunately, our fun event ended with police arriving around 1:45 pm due to an overflow of attendees and vehicles. Please be aware of the number of attendees and the number of vehicles. Safety measures in the parking lot before we meet again is top of the one of our concerns. Please be aware of the number of attendees.

We reported our drawing for Chicago. Members only and open two ladies winners got the Chicago tickets. See the article further in the newsletter.
