Comments from our President – Robert White

Sorry for LOA Dance members and their guests danced the evening away as they fulfilled the promise made at the last Dance Party at Presidential Church Lido Center this month. This joyful crowd toward the August heat of Memphis danced to the music of Sylvia Rose and Armando the Dance Floor. The special table center piece decorations of beach sand buckets and flip flops, developed by Cathie Kelly, highlighted the theme. Examples of the creativity have been caught in some of the photos that follow. Tim and Cathie Kelly provided the beautiful and wonderful barbecue dinner that makes our dances successful!

During our breaks, Armen Sahakian (Independent Dance Instructor) and two of his students showcased dances for our enjoyment. He performed an exquisite Fantasi with Carly Lee at the first break. Their second dance was a Argentine Tango with Carly Lee. Their third dance second break, Armen danced an Argentine Tango with our Chapter Board Vice President, Sylvia Rose. You can see the dramatic flow of this beautiful dance captured in the photos. Our photo section begins with both montages.

Armen is a very talented and high performing tactic, he brought a large group of students to class from our Arman Ballroom American and Standard Ballroom, Latin and Rhythm and his specialty, Argentine Tango. Armen had 14 students in attendance. Check out a few of them! We are always grateful when our Dance Instructors come to our area and single with such a high level of talent and skill.
